The LAGNA (ASCENDANT)

- Lagna is both KENDRA as well as TRIKONA
- **Lord of the lagna** is supposed to give benefic results irrespective of its inherent nature.
- If the **lord of the lagna** OR **Jupiter** OR **Mercury** should EITHER OCCUPY it or ASPECT it, then Ascendant (Lagna) would become Powerful.

Planets as a owner / Lord of Quadrants (Kendra - 1,4,7,10)

Lordship of quadrants has a neutralizing influence on the nature of planets.

□ **Natural benefics** as lords of quadrants shed their beneficence.

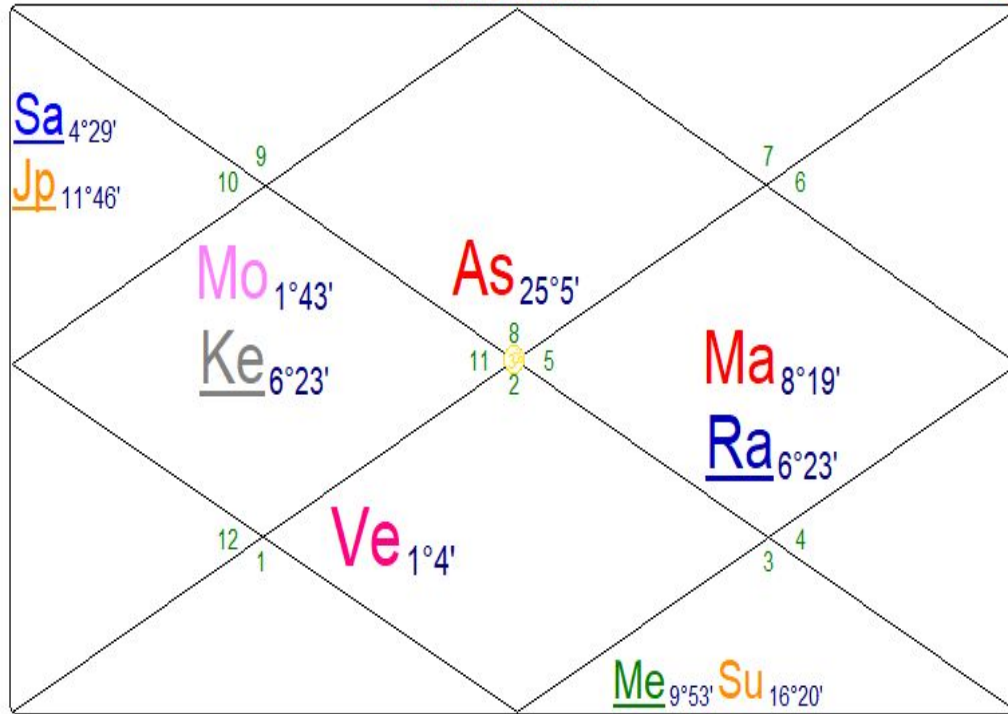

□ **Natural malefics** as lords of quadrants shed their malefic nature.

- The natural benefics thus lose the capacity to give benefic results, while the natural malefics lose their capacity to do harm.
- Mere ownership of quadrants does not convert benefics in to malefics, and malefics in to benefics.

Planets as a owner / lord of houses (2,12, 8)

- Lords of the second, the twelfth and the eighth houses behave as neutrals.
- They give results according to their location as well as association.

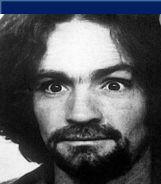

Note: Lords of the 2nd, 12th and 8th houses are impressionable (*easily influenced*) neutrals.

Planets as a lord of 8th house

- Eight house represents obstructions, obstacles, failures, ailments, death
- The lord of the 8th house has propensity to do evil.
- 8th House is 12th from 9th – Loss of Fortune – So the Lord is evil.

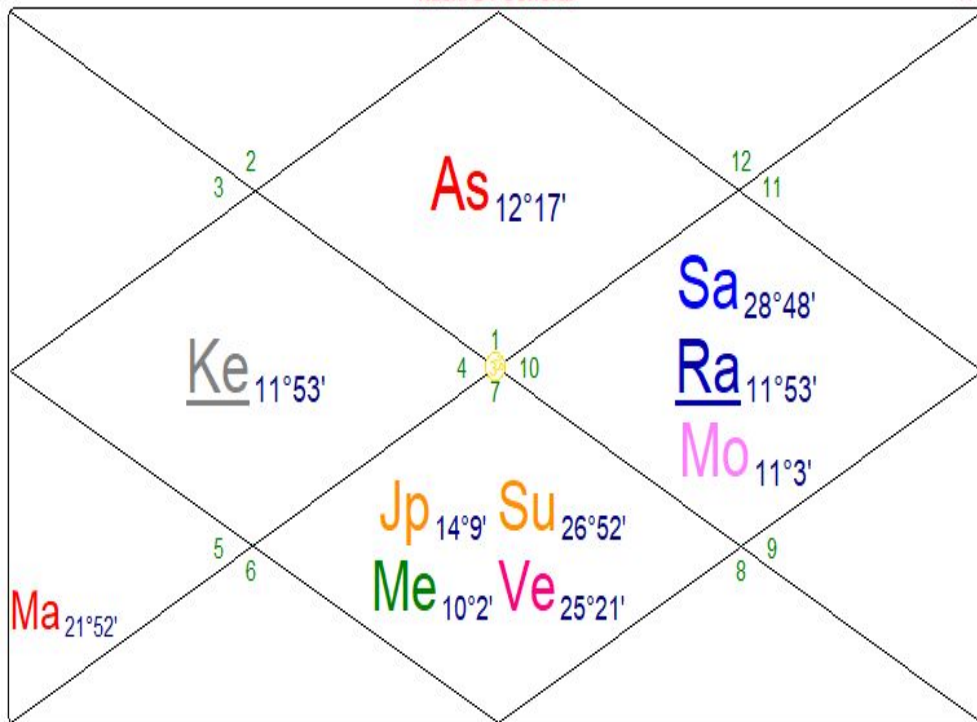

Planets as a lagna lord and lord of 8th house

- When the 8th lord is also the lagna lord, the benefic nature of the lagna lordship prevails, and the 8th lord tends to behave as a benefic unless it is particularly afflicted or ill-placed.
 - (i) Aries ascendant, Mars is the lord of the lagna and the 8th houses, behave benefic mostly.
 - (ii) Libra ascendant, Venus is the lord of the lagna and the 8th houses behave benefic mostly.

As a owner of Quadrant (*Kendra*) and Trine (*Trikona*)

- When a planet owns **both** a quadrant and a trine, it becomes particularly useful and is called a **Raja-yoga-karaka** (doer of great benefit). It gives additional benefit if it is also located in a quadrant or a trine.

Note:

- ✓ **Mars** for Cancer and Leo ascendants,
- ✓ **Venus** for Capricorn and Aquarius ascendants,
- ✓ and **Saturn** for Taurus and **Libra** ascendants.

These planets become **Yoga-karakas** because of the ownership of a trine and a quadrant.

Raja Yoga Combination - Owner of Quadrant (*Kendra*) and Trine (*Trikona*)

- When the lords of **a quadrant** and **a trine** are in combination they produces a **Raja Yoga**.
- Raja Yoga is a highly beneficial combination.

Note:

- ✓ Planets combinations don't produce Raja Yoga if they own adverse houses (3,6,11)
